## REPORT OF THE BOARD OF ADJUSTMENT

The Board did not have to act on any official business during the past year. I would like to point out that from time to time we have received requests to act on certain matters pertaining to zoning. After studying these requests, we found that in each instance the complaints had not been to the Planning Board for a hearing.

The Board of Adjustment is, by law, only a Town Arbitration Board; it is to be called into action only when all other town agencies have been approached without satisfaction. An individual would call upon it as a last resort before taking an issue to the State government.

## AUDITOR'S REPORT

This is to certify that I have examined the books of the Town of Roxbury for the year ending December 31, 1975.

I have examined the books and records of the Town Clerk, Town Treasurer, Tax Collector, Road Agent, Selectmen and Trustee of Trust Funds (including an examination of the securities). I find that the books and records of the town reflect it's true financial condition as of December 31, 1975 to the best of my knowledge and belief.

I find that the Town Clerk, Town Treasurer, Tax Collector, Trustee of Trust Funds, Road Agent and Constable are bonded by surety companies as required by law. Uncollected taxes reported by the Tax Collector have been verified by written notice.

I would like to thank the town officers for their co-operation and assistance during the period of the audit.

Respectfully submitted,

Oliver F. Derby  
Town Auditor

## REPORT OF THE SCHOOL BOARD MEMBER

The Monadnock Regional School District Annual meeting was held at the Monadnock Regional High School on March 22, 1975 at 12:00 noon.

The proposed budget of \$2,573,338.00 was voted to be cut by five per cent, thereby making the accepted budget \$2,444,671.00. Consequently, many school needs were severely curtailed.

The District voted to accept the formula change article which reads as follows: "To see if the District will vote to change the formula by which each pre-existing district shall pay its share of all capital outlay costs and operational costs so that all capital outlay costs shall be apportioned on the basis of the ratio that the equalized valuation of each preexisting district bears to that of the cooperative district, and so that all operational costs shall be apportioned among said preexisting districts on the basis of the average daily membership for the preceding year, or take any action thereon."

Roxbury's assessment formula for 1975-76 is as follows:

Valuation assessment	\$ 1,468.28
Membership assessment	<u>34,984.61</u>
	\$36,542.89
Plus Property Adjustment	<u>468.78</u>
Total resulting school tax	\$36,921.67

Number of students attending = 36 -- Grades 1-12

Cooperative utilization of the Keene Vocational Center is proceeding smoothly.

This year's annual Monadnock Regional School District Meeting will be held at Monadnock Regional High School on Saturday, March 6 at 1:00 P.M.

Respectfully submitted,

David C. Brown  
School Board Member

## HEALTH OFFICERS REPORT

The Town of Roxbury is a seemingly healthy town. I inspected several new systems and had one call on a defective system which was corrected.

Respectfully submitted,
